ANNUAL COMPLAINTS PERFORMANCE AND SERVICE IMPROVEMENT

REPORT 2025 – 2026

1. Introduction

This is our first annual complaints report for the period **July 2025** to the **June 2026**.

It provides our residents with information on the complaints we have received, what they were about and what we did to resolve them.

We strive hard to deliver high quality services, but we accept that we may not always get it right and when we do not, we will acknowledge this and attempt to correct it.

Our resident views and perceptions are important to us, and we will continually take feedback to Board to improve our services to residents.

2. Management Committee's Response

The Board of Trustees of the Abbeyfield Wey Valley Society have reviewed and approved this years' Annual Complaints Report.

The Board regularly receives reports on any complaints received and ensure that we are proactively acting within the remit of the Code. We appoint Complaints Officers to investigate complaints to ensure that we are in touch with our resident's needs.

When complaints are received, we follow our policy and procedure and when outcomes are agreed, we will consider the findings and make sure that we act on any actions required. We learn from them and use them in a positive way to deliver future service improvements.

3. Annual Self-Assessment

A copy of our latest self-assessment is attached for information.

4. Complaints Handling Performance

Period	Stage 1 complaints	Stage 2 complaints
July 2025- June 2026	0	0

For this year, we are pleased to confirm that we received no formal complaints, meaning we have nothing to report on.

However, this does not mean that we are complacent. Instead, we will continue to ensure that all residents know how to access our Complaints Policy and Procedure and we have provided more information about this in Section 10.

5. Types of Complaints Received

We refused to accept complaints regarding Anti-social Behaviour (ASB). This is because we have a separate ASB Policy and Procedure which deals with this. Copies of which are available from our office, or by contacting the manager or administration office by phone or by email.

If we refuse to accept a complaint, we will always write to you and explain the reasons why in line with the Complaints Handling Code.

6. Complaints Escalated to the Housing Ombudsman Service

During the period July 2025 – June 2026, we had no complaints escalated or referred to the Housing Ombudsman Service.

7. Compliance with the Code

We complied with the complaint handling code and had no Ombudsman intervention.

8. Learning & Service Improvements

Whilst we received no formal complaints, we do not take this for granted.

We complete our tenant perception surveys in January each year and have used the feedback from these surveys to ensure that our Complaints Policy and Procedure is easily accessible for all tenants and that they know how to access it. We also regularly meet with tenants to ensure our service is good.

We have provided some more detailed information in Section 10 of this report.

9. The Housing Ombudsman Service

We include the Housing Ombudsman Service's contact information to all our tenants, to actively encourage tenants to use the service or access the Ombudsman service for assistance.

Residents should be aware that you do not have to have a formal complaint ongoing to seek advice and support from the Ombudsman service.
